Doon Community Council Election:

Voting count was independently observed by Det. Sgt. Ted Riordan. We would like to thank everyone for their positive response. The community has put forward people who they believe would do a great job. We will soon welcome our newest members on board and look forward to

working with you. In the coming weeks, those who received the most votes will be contacted in descending order until all seats on the committee have been filled. It is very important that newly elected members come on board at this juncture to play a role in keeping the community facilities up and running. The more help we have, the more we can do for the community. As with any organisation, it is only possible to keep it going with new members and support from the community.
