### **Field Names Doon Parish**

Many people in Doon will remember individual fields having names which identified them. There are examples all over the Parish where a particular field was called a particular name by its owners e.g. the Haggard, Páirc na Lae (the calves field), the Inch, the long acre, the bog, Tobar na héile, the hill meadow etc. They are particularly known to people reared on a farm which has been in their family for a long period of time.

It would be marvellous to have the field names recorded before they are forgotten about in families and in the Parish. It won't take five minutes your time. Please mention it to any member of the Bleisce team or ring Jim Ryan on 087 2436385 and hopefully the fields will be mentioned in this year's edition of Bleisce and thereby preserved for future generations.
