Doon Community Council have been informed by the Doon and District Men's Shed that they have been given notice to vacate their premises in the Convent Secondary School to facilitate Ballyhoura Rural Services long term development plan for a drug and alcohol rehabilitation centre in that building. The initial plan of Ballyhoura Rural Services is to put the school forward to house Ukrainian refugees in order to obtain public funding to upgrade the building for this purpose. While we warmly welcome the initial proposed use of the building we as the community council have serious concerns about the longer term proposed use of the building without community consultation and approval. "
