**Playground**: Doon playground committee needs your help. It is a requirement of the Public Liability Insurance cover provided by LCCC to have suitably locally trained inspectors (voluntary) to carry out weekly inspections of The Doon Playground. LCC have arranged to deliver this training at Dooradoyle on the 18th and 19th June. The current inspectors are stepping down from the roles and so we need new people to take over. We would like more than just one person to help. If you are interest, please text/ phone Mike at [0876764345](tel:0876764345).

**Great News**. Dún Bleisce Historical & Literary Society in collaboration with Doon Parish Choir have received funding approval from The Heritage Council for the restoration and installation in St Patrick's Parish Church of the pipe organ currently located in the disused convent church. This project will commence in the coming months. In reviewing the application, the following feedback was noted by the Heritage Council: This project holds significant cultural importance as it focuses on the restoration and reuse of a finely crafted Victorian pipe organ, preserving a vital piece of musical and historical heritage. The organ, with its rich history and connection to the Convent of Mercy, meets all the criteria for conservation and aligns with the principles of safeguarding tangible and intangible cultural heritage. Its relocation to St. Patrick's Parish Church ensures accessibility and inclusion, allowing future generations to appreciate its historical value and enjoy its soulful music in congregational worship and community events. An organised, experienced, and competent group will ensure this project is seen through to completion. A distinctive and interesting idea for National Heritage Week.
