### **October is Safeguarding Month.**

Creating a Safe and Welcoming Parish for Everyone. Safeguarding is an essential part of parish life. As a parish community within the Archdiocese of Cashel & Emly, we are committed to creating an environment where everyone, especially children and young people, feel welcomed, respected, valued and safe.

Week 2 – Creating a Safe Parish. A safe parish is one where children and young people are cherished, listened to and protected. Our safeguarding policies, training and procedures help us to provide safe environments for everyone involved in parish activities. We are grateful to our Parish Safeguarding Representatives, clergy, staff and volunteers for their continued commitment to this important work.

Our parish takes safeguarding seriously. If you have a safeguarding concern, please speak with our **Parish Safeguarding Representative** or follow the reporting procedures displayed in the church and parish facilities. For further information and diocesan safeguarding resources, please visit [www.cashel-emly.ie](http://www.cashel-emly.ie) or contact Cleo Yates, Director of Safeguarding.
